FOR THE DAIRY DEPARTMENT  
Lake County Fair**

Stall rent will be \$10.00 per head. This does not include first bedding. Exhibitors Tickets \$12.00; Helpers Tickets \$12.00. Stall rent, Exhibitors and Helper Ticket fees must accompany entry forms. Entries close Thursday, August 5, at 4:00 P.M. All entries must be made in accordance with the printed forms (Straw will be available for purchase by exhibitors. Stalls will be assigned by the Superintendent. First come first serve does not apply.)

All animals entered for competition in these classes must be registered for record in the recognized herd books, and certificates must be produced before or at time of showing as required.

All animals must be entered under the name of the bona fide owner.

Names and registration numbers of all animals must be given at the time of entry.

All breeds of cattle for exhibition at this fair must be in place by 8:00 A.M., Friday, August 6, and remain on the grounds until 12:00 p.m., Sunday, August 8.

Exhibitors will at all times be required to give the necessary attention to their cattle. All stalls, aisles, etc., must be cleaned before 8:00 a.m. each day and refuse matter disposed of as the Superintendent may direct. Cattle will remain in barn for display until 9:00 p.m.

Any exhibitor making a false or misleading statement exhibiting cattle that have been artificially fitted or treated, showing an animal out of proper class, substituting one animal for another without proper correction of records at the cattle superintendent's office before entering the ring, or for any other dishonorable practice, shall forfeit all premiums.

**NO MILK PRODUCTION REFUNDS.**

Rules and regulations adopted by the Indiana State Board of Animal Health to govern the entrance into and movement within said state of certain livestock are as follows:

**REGULATIONS FOR THE EXHIBITION  
OF DOMESTIC ANIMALS**

**Sec. 1.**

Due to recent changes in milk marketing, the Lake County Fair will require all exhibitors of milking cows have a copy of their BST Free Certification. Also, exhibitors need to provide their Premise ID on the entry form.

**Sec. 2.5. HEALTH CERTIFICATE REQUIRED**

(a) Approved Official Health Certificate: All out of state swine and cattle shall be accompanied by an approved health certificate or official health certificate with a permit. A permit may be obtained by calling 317-232-1330. All Indiana swine and cattle shall be accompanied by an approved official health certificate unless otherwise exempted by this rule (345 IAC 7-5).

(b) Official Health Certificate: The following are required to have an official health certificate:

- (1) All equine, sheep and goats.
- (2) Indiana steers.
- (3) Out of state poultry.

(c) No Symptoms of Disease: Such animals must show no symptoms of any infectious or contagious disease and be permanently and individually identified and such identification must be clearly indicated on the accompanying health certificate; provided, however, at the discretion of the state veterinarian, the health certificate may be waived in lieu of an inspection by personnel approved for this purpose by the state veterinarian. No cattle may be exhibited that show warts or ringworm.

**Sec. 3. PERIOD HEALTH CERTIFICATE VALID**

The official Indiana health certificate is valid for ninety (90) days and an approved health certificate on animals from out of state is valid for thirty (30) days.

**Sec. 4. FILING OF HEALTH CERTIFICATE**

A copy of the official health certificate must be on file at the state veterinarian's office previous to the opening day of exhibition.

**Sec. 5. QUARANTINED ANIMALS PROHIBITED**

Domestic animals which are under quarantine are not eligible for exhibition in Indiana.

**Sec. 6. ANIMALS CLASSIFIED AS "SUSPECT"  
OR "STABILIZED SUSPECT" PROHIBITED**

Any animal classified as a Brucellosis "suspect" or a "stabilized suspect" is not eligible for exhibition in Indiana.

**Sec. 7. DETERMINATION OF ELIGIBILITY  
OF ANIMAL**

(a) DETERMINATION OF ELIGIBILITY - The determination as to whether any animal meets the requirements for eligibility for exhibition in Indiana shall be made by personnel assigned to the exhibit by the State Veterinarian. The animal shall not be exhibited pending any appeal.

(b) DISEASED ANIMAL REMOVED - Any domestic animal that develops or shows signs of any infectious or communicable disease during exhibition must be removed from the premises and surrounding exhibition grounds when determined by personnel assigned to the exhibit by the State Veterinarian.

**Sec. 8. BRUCELLOSIS TEST REQUIREMENTS**

All brucellosis tests must be conducted at the Brucellosis Laboratory at Purdue University, at a laboratory approved by the Board, or at a State-Federal-Approved laboratory where tests are conducted by a full-time State or Federal employee.

**Sec. 9. IDENTIFICATION AND DESCRIPTION**

All domestic animals requiring a health certificate for exhibition must be permanently and individually identified by an acceptable method such as an ear tag, tattoo, standard ear notch, individual brand or breed registration number and shall be described on the accompanying health certificate as to age, sex, and breed.

The official identification procedures acceptable for cattle exhibited in Indiana are: Official eartag, tattoo, individual brand or registration number if accompanied by registration papers.

If any additional identification is present, one (1) of them should also be listed on the health certificate.

**Sec. 11. PSEUDORABIES; ISOLATION**

Cattle, sheep and goats existing on premises infected with Pseudorabies must be isolated not less than fourteen (14) days from infected swine and any other species showing symptoms of the disease previous to exhibition.

**Sec. 12. TUBERCULOSIS TEST REQUIRED FOR  
CATTLE**

All out of state cattle shall have passed a negative test for Tuberculosis within sixty (60) days prior to the opening date of the exhibition, except:

- (1) Cattle from accredited herds (accrediting date must be listed on health certificate).
- (2) Cattle under 180 days of age.
- (3) Cattle from Accredited-free states.

NOTE: Animals offered for sale at exhibition must meet import requirements of state of destination.

**Sec. 13. BRUCELLOSIS TEST REQUIRED FOR  
CATTLE**

All cattle from free states, Class "A" and "B" states shall have passed a negative test for Brucellosis (within ninety (90) days if from Indiana, or within thirty (30) days if from out of state or if offered for sale) prior to the opening date of the exhibition, except:

- (1) steers,
- (2) calves under one hundred eighty (180) days of age,
- (3) cattle from the exhibitor's Certified Brucellosis-free herd (certifying date listed on health certificate),
- (4) official vaccinates of dairy breeds under twenty (20) Months of age and official vaccinates of beef breeds under twenty-four (24) months of age must be accompanied by proof of vaccination and the date of vaccination recorded on the accompanying health certificate. All cattle from out of state must meet federal requirements for interstate movement,
- (5) all cattle originating from Class "C" states must be from a Certified Brucellosis-free herd and the certifying date to be listed on the approved health certificate,
- (6) retest requirements established in 345 IAC 1-3-7 apply to imported cattle sold at exhibition.
